

In the Matter of Brumstead Common,  
Brumstead, Norfolk (No 3)

DECISION

This dispute relates to the registration at Entry No 1 in the Land section of Register Unit No CL 383 in the Register of Common Land maintained by the Norfolk County Council and is occasioned by Objection No 363B made by Mr J E Ames, Chairman of the Brumstead Parish Council and noted in the Register on 15 August 1972.

I held a hearing for the purpose of inquiring into the dispute at Norwich on 14 March 1978. The hearing was attended by Mr B W. Mack, the applicant for the registration, and by Mr A D K Wood, solicitor, on behalf of the Parish Council.

Mr Mack sought to support the registration by the registration at Entry No 2 in the Rights section of the Register Unit made on the application of his late father, Mr A J Mack. For the reasons given in my decision in In the Matter of Brumstead Common, Brumstead (No 2) (1978), Ref. No. 225/D/68 I have refused to confirm that registration. It therefore follows that I must refuse to confirm this registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 25<sup>th</sup> day of

April

1978

CHIEF COMMONS COMMISSIONER
