

COMMONS REGISTRATION ACT 1965

Reference No 225/D/47

In the Matter of Devils Hole,
Stiffkey, N Norfolk D

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No CL. 429 in the Register of Common Land maintained by the Norfolk County Council and is occasioned by Objection No 292B made by T A Pearson and noted in the Register on 23 February 1971.

I held a hearing for the purpose of inquiring into the dispute at Norwich on 12 January 1977. The hearing was attended by Mr R Kaimcaudle of Messrs Crawley & De Reya on behalf of the successor to Mr T A Pearson. By a letter dated 2 January 1977 the Stiffkey Parish Council withdrew its claim that the land is common land.

For this reason I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 28th day of April

1977

G. A. Little

Commons Commissioner
