

COMMONS REGISTRATION ACT 1965

Reference Nos. 225/U/33
225/U/97

In the Matter of (1) the Gravel Pit and
(2) land at School Road, in East Reedham,
West Norfolk District, Norfolk

DECISION

This reference relates to the question of the ownership of (1) land known as the Gravel Pit and (2) land at School Road, both in East Reedham, West Norfolk District being the lands comprised in the Land Section of Register Unit (1) No. CL.2 and (2) No. CL.210 in the Register of Common Land maintained by the Norfolk County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the lands in question and no person claimed to have information as to their ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the lands at Kings Lynn on 27 November 1975. At the hearing East Reedham Parish Council were represented by Mr T S Potter their chairman.

Mr Potter said that the Parish Council could offer no evidence of ownership. In the absence of any evidence I am not satisfied that any person is the owner of the lands and they will therefore be subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 3rd day of December 1975
