

COMMONS REGISTRATION ACT 1965

Reference No. 225/U/250

In the Matter of The Recreation Allotment,
Garboldisham, Norfolk

DECISION

This reference relates to the question of the ownership of land known as The Recreation Allotment, Garboldisham, being the land comprised in the Land Section of Register Unit No. VG 152 in the Register of Town or Village Greens maintained by the Norfolk County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Norwich on 8 March 1983.

At the hearing the Garboldisham Parish Council was represented by Mr A F M Wedderburn, its Chairman.

The land in question is the subject of a scheme made on 30 March 1981 by the Charity Commissioners for England and Wales, whereby the land in so far as it was not already vested in the Parish Council was so vested.

On this evidence I am satisfied that the Parish Council is the owner of the land, and I shall accordingly direct the Norfolk County Council, as registration authority, to register the Parish Council as the owner of the land under section 8(2) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
