

In the Matter of The Verge near Byston Hall Drive,  
Denver, Norfolk.

---

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No. VG 92 in the Register of Town or Village Greens maintained by the former Norfolk County Council and is occasioned by the conflicting registration at Entry No. 1 in the Land section of Register Unit No. CL 244 in the Register of Common Land maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at King's Lynn on 30 June 1977. The hearing was attended by Mr J C Sharpe, the Chairman of the Denver Parish Council, who informed me that the Court Leet of Common Right Owners, the applicant for the registration, did not wish to pursue it.

In these circumstances I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 20<sup>th</sup> day of July 1977

Chief Commons Commissioner
