

COMMONS REGISTRATION ACT 1965

Reference No. 44/D/16
44/D/17

In the Matter of Foulseyke Pond,
Church Beck and Green and Cumboots
Quarry, all in Scalby Urban District,
Yorkshire.

DECISION

These disputes relate (reference D/16) to the registration at Entry No. 1 in the Ownership section of Register Unit No. C.L.187 in the Register of Common Land maintained by the North Riding County Council and ~~was~~ occasioned by Objection No. 0268 made by the Minister of Agriculture, Fisheries and Food and noted in the Register on 26 October 1970 and (reference D/17) to the registration at Entry No. 1 deemed to have been made in the Ownership section of Register Unit No. V.G.110 in the Register of Town or Village Greens maintained by the said County Council and occasioned by the same objection noted on 26 October 1970 as having been deemed to have been made.

All the persons entitled to be heard at the hearing of these disputes have agreed upon the terms of the decision to be given by me and have sent to the Clerk of the Commons Commissioners particulars of such terms signed by or on behalf of all such persons, which terms are that the Commons Commissioner is requested to confirm the registration of the ownership of land in the Register Units Nos. C.L.187 and V.G.110 made on the application of the Scalby Urban District Council which terms are signed on behalf of the said Minister, District Council and County Council.

I am satisfied that there is no person who, if a hearing were held, would be entitled to be heard upon giving his name and address to me and satisfying me that he had succeeded to the interest, or part of the interest of any other person.

I am willing to give a decision in accordance with the proposed terms, and I accordingly confirm the above mentioned registrations without modification.

This decision is without prejudice to all questions arising in two other disputes, one (reference D/14) relating to Entry No. 1 (made on the application of Scalby Urban District Council) in the Land Section of the said Register Unit No. C.L.187 and the other (reference D/15) relating to Entry No. 1 (made on the application of Joseph William Hardcastle) in the Land Section of the said Register Unit No. V.G.110 and both occasioned by such last mentioned registrations conflicting.
