

COMMONS REGISTRATION ACT 1965

Reference No. 45/U/304

In the Matter of Hesley Moss, Rathmell,
Craven District, North Yorkshire

DECISION

This reference relates to the question of the ownership of land known as Hesley Moss and containing (according to the Register) about 5.233 hectares (13.93 acres) Rathmell, Craven District being the land comprised in the Land Section of Register Unit No. CL. 352 in the Register of Common Land maintained by the North Yorkshire County Council (formerly West Riding County Council) of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Skipton on 25 March 1976. There was no attendance at the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the land and it will therefore be subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 2nd day of April _____ 1976

Commons Commissioner
