

COMMONS REGISTRATION ACT 1965

Reference No. 268/D/309

In the Matter of Highside Moor,
Airton

DECISION

This dispute relates to the registration at Entry No. 1 in the Rights Section of Register Unit No. CL 421 in the Register of Common Land maintained by the North Yorkshire County Council and is occasioned by Objection No. 68 made by Mr N Thwaite and noted in the Register on 20 August 1970.

I held a hearing for the purpose of inquiring into the dispute at Skipton on 9 October 1980. The hearing was attended by Mr P Crangle, Solicitor, appearing on behalf of Mr Wellock on whose application the registration was made; and by Mr R Bowker, appearing on behalf of Mr Thwaite. The Entry is of a right to graze 12 sheep and their followers and the Objection is that no rights exist.

The parties had agreed that the right should be modified and I accordingly confirm the right with the particulars modified so as to read "To graze 3 cattle or 3 beasts".

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
