

COMMONS REGISTRATION ACT 1965

Reference No. 44/D/45

In the Matter of Land adjoining High
Farm, Faceby, Hambleton District

DECISION

This dispute relates to the registration at Entry No.1 in the Land Section of Register Unit No. CL. 211 in the Register of Common Land maintained by the former North Riding of Yorkshire County Council and is occasioned by Objection No.061 made by Mr.F.K. Beaumont and noted in the Register on 29 January 1970.

I held a hearing for the purpose of inquiring into the dispute at Northallerton on 9 October 1975. The hearing was attended by Mr. S. Woodall solicitor on behalf of Mr. Saddington who registered the land as common land and Mr. F.K. Beaumont the objector appeared in person.

There are no entries claiming common rights in the Rights Section of the Register and no evidence was led by Mr. Saddington that the land in question is waste of a manor. In these circumstances the land in question cannot be common land as defined in Section 22 of the Commons Registration Act 1965.

For this reason I refuse to confirm the registration.

I am required by regulation 50 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
