In the Matter of Rathmell Moor (or Common),
Craven D

SUPPLEMENTAL DECISION

By the Decision in this matter dated 22 January 1981 I confirmed the right at Entry No. 12 and in the penultimate paragraph of the Decision I referred to the question of modifying the right to reflect the result of transactions whereby it was claimed that it was now held in gross. Since that date I have been furnished with certified copies of conveyances and other documents and am satisfied that it is appropriate that there should be modifications to the registration. The right as registered is a right to graze 26 sheep attached to Black Leach and adjoining land, and this should be modified to (1) a right to graze one sheep attached to Black Leach and adjoining fields shown on the attached map (2) a right to graze 25 sheep held in gross. Accordingly I confirm the right with this modification.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
