

COMMONS REGISTRATION ACT 1965

Reference No. 44/D/4

In the Matter of The Village Green,
Terrington, Yorkshire (North Riding)

DECISION

This dispute relates to the registration at Entry No.1 in the Land Section of Register Unit No. 146 in the Register of Town or Village Greens maintained by the North Riding of Yorkshire County Council and is occasioned by the conflicting registration at Entry No.1 in the Land Section of Register Unit No.163 in the Register of Common Land maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Malton on 10th April 1973. The hearing was attended by Mr. E.J.E. Cameron, the Chairman of the Terrington with Wyanthorpe Parish Council, which applied for both the registrations.

Mr. Cameron informed me that the Parish Council did not support the registration as common land, but wished to have the land registered as a town or village green. The evidence that this land falls within the definition of "town or village green" in section 22(1) of the Commons Registration Act 1965 is extremely thin, but I have come to the conclusion that, in the absence of any opposition, it will just suffice to support what is now in effect an unopposed registration.

For these reasons I confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 18th day of April 1973

Chief Commons Commissioner
