

COMMONS REGISTRATION ACT 1965

Reference No.45/U/261

In the Matter of The Village Greens
and Conistone Common Land, Conistone
with Kilnsey, Craven D., North Yorkshire

DECISION

This reference relates to the question of the ownership of pieces of land known as Village Greens and Common Land, Conistone in the parish of Conistone with Kilnsey, Craven District (formerly Skipton Rural District, Yorkshire West Riding) being the land comprised in the Land Section of Register Unit No.CL.496 in the Register of Common Land maintained by the Lancashire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Skipton on 2 April 1974. The hearing was attended by Mr. R. Carlisle chairman of the Parish Meeting of the parish of Conistone with Kilnsey and watched by Mr. and Mrs. W. A. Rawlinson of Petercott, Conistone.

After some discussion as to the extent of the land now comprised in this Register Unit (some of the land originally comprised therein had been removed following objections), Mr. Carlisle said that no evidence of ownership could be offered.

In the absence of any evidence I am not satisfied that any person is the owner of the land and it will therefore be subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 22nd day of April 1974.

a. a. Baden Fuller

Commons Commissioner
