

In the Matter of Tracts of Land, Appleton  
le Moors, Lastingham, Hutton Le Hole,  
Spaunton and Rosedale West, North Yorkshire (No. 1)

---

DECISION

These disputes relate to the registration at Entry No. 1 in the Land section of Register Unit No. CL 162 in the Register of Common Land maintained by the former North Riding of Yorkshire County Council and are occasioned by Objection No. 0293 made by Mr J H Holt, Objection No. 0278 made by Mr L E Garside and Objections Nos. 0295 and 0298 made by Mr Holt and noted in the Register on 16 November 1970.

I held a hearing for the purpose of inquiring into the dispute at Malton on 8 November 1979. The hearing was attended by Mr Peter Collier, of Counsel on behalf of Mr Holt and by a number of applicants for registrations in the Rights Section of the Register Unit and Solicitors for such applicants. There was no appearance by or on behalf of Mr Garside, but on investigation it appeared that the land to which Objection No. 0278 related was not comprised within the Register Unit. It was agreed by all present that the land to which Mr Holts Objections related was not comprised within the Register Unit. It was also agreed that a small area of land consisting of a quarry near the village of Appleton-le-Moors had been included in the Register Unit by mistake.

In these circumstances I confirm the registration with the following modifications: namely the exclusion of the quarry near the village of Appleton-le-Moors.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
