

COMMONS REGISTRATION ACT 1965

Reference No. 26/D/28

In the Matter of land in Weston,
in the parish of Weston and Weedon,
Northamptonshire

DECISION

This dispute relates to the registration at Entry No.1 in the Land Section of Register Unit No. C.L.15 in the Register of Common Land maintained by the Northamptonshire County Council and is occasioned by Objection No.12 made by James Keith Innes and noted in the Register on 19th October 1970 which dispute and objection relate only to the part of the land comprised in this Register Unit which is specified in the Appendix hereto.

All the persons entitled to be heard at the hearing of this dispute have agreed upon the terms of the decision to be given by me and have sent to the Clerk of the Commons Commissioners particulars of such terms signed by or on behalf of all such persons, which terms are that the registration of the said part shall be cancelled.

I am willing to give a decision in accordance with the proposed terms and I accordingly refuse to confirm the registration so far as it relates to the said part. However as the registration so far as it relates to the remaining part is still disputed (Reference 26/D/29) by a person who is not entitled to be heard in relation to this part, I shall not give the registration authority any notice of final disposal of disputed registration (Form 41) because this disputed registration as a whole has not yet either become final or become void.
