

In the Matter of The Sheepwash, Wysall, Nottinghamshire

DECISION

This reference relates to the question of the ownership of land known as The Sheepwash, Wysall, being the ~~part of the~~ land comprised in the Land Section of Register Unit No. CL.66 in the Register of Common Land maintained by the Nottinghamshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Nottingham on 19 March 1985. At the hearing the Wysall and Thorpe-in-the-Glebe Parish Council was represented by Mrs K M Kettle, its Clerk.

This reference was made before a search had been made at the Land Registry. The official certificate of result of search certifies that the whole of the land the subject of the reference is (with other land) registered freehold under Title No. NT 51851. I therefore have no jurisdiction in this matter.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
