DECISION

This reference relates to the question of the ownership of the land above mentioned being part of the land comprised in the Land Section of Register Unit No. CL.114 in the Register of Common Land maintained by the Powys County Council of which no person is registered under Section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference several persons claimed to be the freehold owners of parts of the land in question.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Llandrindod Wells on 2 May 1984.

Where appropriate I have written in the names of the persons who in my judgment on the basis of the documents shown to me establish a claim to ownership of the areas edged red in which their names appear.

-3-

I am not satisfied that any person is the owner of the remainder of the land and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
