

COMMONS REGISTRATION ACT 1965

276/D/350 and 351

In the Matter of Burch Hill  
Trewern & Gwaithla Radnor D

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section and the Entries at Nos 2 to 8 and 10 to 16 inclusive in the Rights Section of Register Unit No.CL.4 in the Register of Common Land maintained by Objection No. 654 made by F L and I M Milk and noted in the Register on 2 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Brecon on 12 June 1979. The hearing was attended by Mr D Cameron on behalf of Mr and Mrs Mills and he produced a conveyance dated 16 March 1953 whereby Baron Ormathwaite conveyed to Beatrice Thompson and Kathleen Price inter alia part of Pentre Tump being part of OS 340 of 18.350 acres on 23 June 1959 Mr and Mrs Mills acquired this land from Beatrice Thompson and Kathleen Price which is the land identified on the plan annexed to Mr and Mrs Mills objection.

Mr and Mrs Mills land has been fenced against the common since 1949 and Mr Price who at one time grazed this land has withdrawn his claim over it in writing. No one other than the owners for the time being and Mr Price has grazed on this land since 1953. Mr and Mrs Mills having secured the exclusion of their land from the common ask me to modify their Entry in the Right Section, No. 14, by substituting in column 4 100 sheep units for 300 sheep units.

For these reasons I confirm the registration in the Land Section modified by the exclusion of the land identified on the plan annexed to Objection No. 656 and I confirm Entries 2 to 8 and 10 to 16 in the rights section as applicable to the modified Entries in the Land Section, Entry No. 14 modified as aforesaid.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
