

Reference No. 276/D/405-410

In the Matter of Common Land in the Parishes of Darowen and Llanbrynmair

DECISION No.1.

These disputes relate to the registrations at the Entries in the Ownership section of Register Unit No. CL 76 in the Register of Common Land maintained by the Powys County Council and are occasioned by conflicts between the registrations.

I held a hearing for the purpose of inquiring into the disputes at Welshpool on 10 December 1980. The hearing was attended by Mr J I Williams, Solicitor, appearing on behalf of Sir Owen W W Wynn: Mr Parsons, of the firm of Humphreys and Parsons, Solicitors, appearing on behalf of the applicants for registration at Entries Nos. 4 and 10 in the Ownership Section: Mr H Evans, of the firm of Henry Evans, Solicitors, appearing on behalf of the applicant for registration at Entry No. 8: and Mr Landes, Solicitor, appearing on behalf. of a Mr J T Jones.

Sir Owen W W Mynn is the applicant for registration at Entry No. 12, by which he claims ownership of the whole of the land comprised in the Register Units. Mr Williams informed me that his claim to ownership was withdrawn and accordingly I refuse to confirm the registration.

There remain five other Entries in the Section, Nos. 3,4,7,8,10, which relate to various areas which, except in the case of No. 4, overlap with other areas. I will confirm the registration at Entry No. 4. It was agreed that the disputes affecting the other Entries, in which there is possibility of agreement being reached, should be adjourned and I adjourn the hearing of these. I also understand that the question has arisen whether there may be Objections relating to this Register Unit and still outstanding which is to be investigated.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
