

COMMONS' REGISTRATION ACT 1965

Reference No. 276/D/51

In the Matter of Cwmgwyn and  
Medwalleth Common, Beguildy

---

DECISION

This dispute relates to the registration at Entry No. 18 in the Rights Section of Register Unit No. CL. 20 in the Register of Common Land maintained by the Powys County Council and is occasioned by Objection No. 17 made by A Pugh & Sons and noted in the Register on 30<sup>th</sup> May 1969.

I held a hearing for the purpose of inquiring into the dispute at Llandrindod Wells on 8 January 1976.

The Applicant did not appear.

One of the Objectors, Mr A C Pugh, appeared before me. The ground of the objection was that the Applicant claimed a right of grazing for an excessive number of sheep. The dominant holding - Cwmfoel Farm - is only 21 acres in extent. The Applicant has applied to register a right to graze 300 sheep. This number is, plainly, grossly excessive. The Objector submitted that the registration should be limited to 3 sheep per acre. This seems to me, on the face of it, to be a reasonable submission, and I accept it.

For these reasons I confirm the registration with the following modifications:- in column 4 for "300 sheep" read "63 sheep, with lambs to weaning".

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 20<sup>th</sup> day of

May 1976

Commons Commissioner
