In the Matter of Gilwern Hill,  
Llansaintffraed-in-Elvel, Radnor D

---

DECISION

These disputes relate to the registration at Entries Nos 28, 15 and 25 in the Rights Section of Register Unit No CL. 40 in the Register of Common Land maintained by the former Radnorshire County Council and are occasioned by Objection No 326, 327 and 328 all made by L H Marshall and all noted in the Register on 28 September 1970 and the conflicting registrations at Entries Nos 15 and 28 aforesaid.

I held a hearing for the purpose of inquiring into the dispute at Lladrindod Wells on 10 November 1977.

Mr G Morris appeared for Mr & Mrs Buckley the successors to the application at Entry No 15 who told me that it had been agreed that I should confirm Entry No 15 by excluding from column 5 in the register the land referred to in column 5 of the Register at Entry No 28 and by substituting in column 4 59 sheep for 60 sheep, and I confirm this Entry modified as aforesaid. It was further agreed that I should modify Entry No 28 by limiting the right to graze to one sheep and I confirm this Entry modified as aforesaid.

Mr Marshall's Objections were made on behalf of the Glanusk Estate who did not appear. The Estate's Objection No 327 was that at Entry No 25 the equivalents of cattle and ponies for sheep were wrong. For this reason I confirm Entry No 25 modified so as to substitute in column 4 13 cattle or 13 ponies for "10 cattle or 10 ponies".

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
