

COMMONS REGISTRATION ACT 1965

Reference No. 276/D/489-498

In the Matter of Pen Allt Mawr (part of Black  
Mountains) Cwmdu, Brecknock B

DECISION

These disputes relate to the registrations at certain Entries in the Rights Section of Register Unit No. CL 24 in the Register of Common Land maintained by the Powys County Council and are occasioned by ten Objections all made by the Chairman of the Duke of Beaufort's Breconshire Estate Commoners Association.

I held a hearing for the purpose of inquiring into the disputes at Brecon on 16 June 1982. The hearing was attended by Mr G W Shellard, a Trustee of the Commoners' Association and also the Agent of the Beaufort Estate, and by Mr R Howells (Rights Entry No. 6).

Particulars of the Entries objected to and of the Objections are as follows:-

Entry No.	Objection No. and date of noting in the Register.
1	28 19/10/1970
2	23 19/10/1970
6	35 28/10/1970
7	36 28/10/1970
27 (now Nos. 67, 68, 69)	278 7/9/1971
29	280 25/8/1971
33	292 26/8/1971
37	304 31/8/1971
40	313 31/8/1971
45	328 31/8/1971
59	304 31/8/1971

Entry No. 6. It was agreed that this registration be confirmed without modification and I confirm it accordingly.

Entry Nos. 29, 33. These registrations are now in an amended form which meets the Objections and I confirm them as so amended.

As regards the remaining Entries there was no appearance by or on behalf of the applicants for registrations. The Objections to grazing rights are to the numbers of animals claimed, and specify reduced numbers which accord with the formula approved by the Commoners Association for general application. In the case of Entries No. 37 and 59 the respective Solicitors for the applicants had written accepting the proposed reductions. In the absence of any opposition by the applicants concerned I think it appropriate to give effect to the objections and to confirm the Entries listed in the following Table with the respective modifications set out in the Table. Entry No. 27 will be cancelled (if still subsisting in the Register) and of its replacing Entries I confirm No. 68 without modification.
