

COMMONS REGISTRATION ACT 1965

Reference No. 276/D/391-397

In the Matter of Rhoslinau, Cwmclinan, Cemmaes

SUPPLEMENTARY DECISION

Since the Decision dated 14 July 1980 was issued it has been agreed by the parties concerned (1) that the VG area to be excluded from the CL registration ("the revised VG area") shall be the area lying to the west of the broken red line (C-B-A and thence extending a north westerly direction to the boundary of the part numbered 7) on a plan prepared by the County Land Agent and Valuer and submitted to the parties concerned (2) that there shall also be excluded from the CL registration the six areas coloured or edged red and numbered 7 and 9 to 13 on that plan.

Accordingly the Decision of 14 July 1980 is amended to give effect to what has been agreed and accordingly:- (1) I confirm the registration at Entry No. 1 in the Land Section modified so as to exclude the revised VG area and the six areas mentioned above (2) I refuse to confirm the registration at Entry No. 2 in the Land Section (3) I confirm the registrations at the Entries in the Rights Section of CL 56 (which will not now include the six areas or the revised VG area).

The Decision of 14 July 1980 as regards the Ownership Section is not amended.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
