

COMMONS REGISTRATION ACT 1965

Reference No. 276/U/96

In the Matter of Vention Corner, Glanmule,  
Kerry, Montgomery D

---

DECISION

This reference relates to the question of the ownership of land described above being the land comprised in the Land Section of Register Unit No. CL 66 in the Register of Common Land maintained by the former Montgomeryshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference the Powis Castle Estate Trustees claimed to be the freehold owners of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Welshpool on 23 February 1982.

At the hearing the Trustees were represented by their Agent, Mr P L Marriott.

This small piece of land of about one third of an acre is situate near Glanmule in the parish of Kerry. These localities are shown on a Manorial Map of 1820, and the Manor of Kerry is part of the property comprised in an Assent of September 1956, referred to in my Decision on CL 15, (Ref: 276/U/89). The evidence given in that case applies equally to this case, and for the reasons appearing in my Decision on CL 15, I am satisfied that the Trustees, Messrs H D G Salt, G C A Macartney and V M E Holt, are the owners of the land, and I shall accordingly direct the Powys County Council, as registration authority, to register them as the owners of the land under section 8(2) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
