

In the Matter of Blackheath Common,
Wenhaston, Suffolk, (No. 1)

DECISION

These disputes relate to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 132 in the Register of Common Land maintained by the Suffolk County Council and are occasioned by the conflicting registrations at Entry No. 1 in the Land Section of Register Unit No. VG 44 and at Entry No. 2 in the Land Section of Register Unit No. ^{VG}45 in the Register of Town or Village Greens maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Ipswich on 20 January 1982. The hearing was attended by Mrs L M Spindler, a member of the Wenhaston Parish Council, the applicant for the conflicting registrations. There was no application by or on behalf of Mr J H Roberts, the applicant for the registration and the registration at Entry No. 1 in the Rights Section of the Register Unit or Mr J R Ellis, the applicant for the registration at Entry No. 2 in the Rights Section.

Since the conflicting registrations would have become final but for the registration the subject of these disputes and that registration has not been supported, I confirm the registration with the following modification, namely, the exclusion of the land the subject of the conflicting registrations. In so far as the registrations in the Rights Section of the Register Unit relate to the land comprised in Register Units Nos. VG 44 and VG 45 they will, of course, be transferred to those Register Units.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
