

Reference No: 234/U/65

In the Matter of Stubbings Green,
Burgate, Mid Suffolk District, Suffolk

DECISION

This reference relates to the question of the ownership of land known as Stubbings Green, Burgate, Mid Suffolk District being the land comprised in the Land Section of Register Unit No. CL 121 in the Register of Common Land maintained by the Suffolk County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership. I held a hearing for the purpose of inquiring into the question of the ownership of the land at Ipswich on 2 October 1979. At the hearing, Mr Francis Pointon on whose application the registration of a right to graze 30 cattle or 30 horses or 180 sheep over the land has been made, attended in person.

Mr Pointon said he could offer no evidence of ownership. In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulation 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 16th —

day of October —

1979.

A. A. Batten Fuller

Commons Commissioner
