

In the Matter of Thorney Green, Stowupland, Suffolk.
(No. 3)

DECISION

These disputes relate to the registration at Entry No 1 in the Land section of Register Unit No VG 68 in the Register of Town or Village Greens maintained by the Suffolk County Council and are occasioned by Objection No 116 made by Mr P H Carter and noted in the Register on 1 March 1971, Objection No 120 made by Mr A J Crofton-Sleigh and noted in the Register on 8 April 1971, Objection No 124 made by Mr S Robinson and noted in the Register on 10 June 1971, Objection No 135 made by the former East Suffolk County Council and noted in the Register on 27 September 1971, and the conflicting registration at Entry No 1 in the Land section of Register Unit No CL 22 in the Register of Common Land maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Bury St Edmunds on 13 February 1979. The hearing was attended by Mr H Hamel, solicitor, on behalf of the Stowupland Parish Council, the applicant for the registration and the conflicting registration, Mr Carter, and Mr I N Whitaker, solicitor, on behalf of the Suffolk County Council.

Mr Hamel informed me that the Parish Council did not wish to support the conflicting registration and was willing that the four areas of land the subject of the Objections should be excluded from the registration.

In these circumstances I confirm the registration with the following modifications:- namely the exclusion of the land the subject of each of the Objections.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
