

COMMONS REGISTRATION ACT 1965

Reference No. 236/U/152

In the Matter of Burgh Heath (part),
Tadworth

This reference relates to the question of the ownership of land described above being part of the land comprised in the Land Section of Register Unit No. CL 110 in the Register of Common Land maintained by the Surrey County Council.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Dorking on 11 June 1981.

The hearing was attended by Mrs Wilcock, Solicitors, of Reigate and Banstead Borough Council.

The part of the land concerned is a small strip which it appeared was not included with the remainder of the Unit land in the area registered under the Land Registration Acts under Title No. SY 227053. It has now been ascertained that in fact the part concerned is included in the Land Registry Title and in these circumstances its ownership is not, I think, a matter for my decision, and the Ownership Section will no doubt be noted to record the position.
