

COMMONS REGISTRATION ACT 1965

Reference No. 236/D/426-429

In the Matter of Eastern part of Limpsfield  
Common including Little Heath, Watts Hill and  
the Chart, Limpsfield Tandridge D.

DECISION NO. 2.

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No.CL.417 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objection No. 725 made by the Surrey County Council and noted in the Register on 2 August 1972.

I held a hearing for the purpose of inquiring into the dispute at Dorking on 28 October 1981. The hearing was attended by Mrs K Percy, chairman of and representing Limpsfield Parish Council (the applicant for registration) by Mrs G Shipp, representing the National Trust and by Mr B Cotter, Solicitor of the County Council.

The objection relates to parts of the land alleged to be highway land, the County Council is content to rely on the provisions of Section 22 of the 1965 Act and is not pursuing its objection. In these circumstances I confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated 12 November 1981

*L. J. Morris Smith*

Commons Commissioner
