

In the Matter of Milford Heath, Witley,
Surrey, (No. 1)

DECISION

These disputes relate to the registration at Entry No 1 in the Land Section of Register Unit No. CL.141 in the Register of Common Land maintained by the Surrey County Council and are occasioned by Objection No. 350 made by the former Surrey County Council, and noted in the Register on 30 September 1970 and the conflicting registration at Entry No 1 in the Land Section of Register Unit No. VG.105 in the Register of Town or Village Greens maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 20 March 1980. The hearing was attended by Mr R Hart, Solicitor, on behalf of the Waverley District Council, the successor authority of the former Hambledon Rural District Council, the applicant for both registrations, Mr B E H Cotter, Solicitor, on behalf of the Surrey County Council, and Mr E Instone, the Clerk of Witley Parish Council.

Mr Hart and Mr Cotter informed me that it had been agreed that all the land the subject of the conflicting registration should be excluded from the registration the subject of this reference and that in addition there should be excluded from this registration all the remaining land with the exception of an area of greensward on the north-west side of Haslemere Road shown on an agreed plan.

In these circumstances I confirm the registration with the modification: necessary to give effect to this agreement.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
