

In the Matter of part of Witley Common, including  
Mousehill Down and Rodborough Common, Witley

## DECISION

This reference relates to the question of the ownership of parts of the land described above being the part of the land comprised in the Land Section of Register Unit No. CL.144 in the Register of Common Land maintained by the Surrey County Council of which no person is registered as the owner under section 4 of the Commons Registration Act 1965 or under the Land Registration Acts.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question or to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Guildford on 29 October 1987.

There was no appearance at the hearing by any claimant.

The greater part of the land comprised in this Register Unit has owners who are registered. The parts without such owners, are small pieces near Mousehill in the north-eastern corner of the land.

In the absence of any evidence I am not satisfied that any person is the owner of the parts of the land in question, and they will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
