

In the Matter of piece of land in the parishes of Abinger, Wotton, Ockley and Shere known as waste lands of the manors of Wotton Abinger, Paddington Dean and Paddington Pembroke.

SUPPLEMENTAL DECISION

The Decision in this matter dated 10 July 1986 did not deal with the yellow area described in the Decision. This area was the subject of proceedings in Guildford County Court in which Mr John Evelyn was claiming possession of the area against Mr D F H Boxall, and the later was resisting on the ground of title by adverse possession. These proceedings have now resulted in judgment for Mr Evelyn. On the evidence referred to in the decision I was satisfied that, subject to Mr Boxall's claim, Mr Evelyn is the owner of the yellow area and in the result I shall direct the Surrey County Council to register Mr Evelyn as the owner of the yellow area, as well as of the remainder of the land in question.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 20th day of November 1986

L. J. Morris Smith

Commons Commissioner
