

In the Matter of Two pieces of land at Gorebridge
Green, Loxhill, Hascombe, Surrey

DECISION

This dispute relates to the registration at Entry No 1 in the Land section of Register Unit No. CL.22 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objection No. 333 made by the former Surrey County Council and noted in the Register on 12 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 21 March 1980. The hearing was attended by Mr R Hart, Solicitor, on behalf of the Waverley District Council, the successor authority of the former Hambledon Rural District Council, whose application for registration was noted under Section 4(4) of the Commons Registration Act 1965, by Mr B E H Cotter, Solicitor, on behalf of the Surrey County Council, and by Mr F W Moss, the Clerk of the Hascombe Parish Council. There was no appearance by or on behalf of Mr P J Rampton, the applicant for the registration.

I was informed that it had been agreed that the registration should be confirmed subject to the exclusion of two strips of land adjoining highways.

In these circumstances I confirm the registration with the following modification: namely, the exclusion of (a) the land to the east of Gorebridge Green Farm and (b) a verge 3ft wide from the edge of the carriageway to the north of Gorebridge Green Farm.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
