

COMMONS REGISTRATION ACT 1965

Reference No. 239/D/2

In the Matter of Burton Green Common Land,  
Kenilworth, Warwickshire.

---

DECISION

This dispute relates to the registration at Entry No. 1 in the Rights section of Register Unit No. CL 31 in the Register of Common Land maintained by the Warwickshire County Council and is occasioned by Objection No. 27 made by Mr G E Tisdale and Mr R R Tisdale and noted in the Register on 21 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Stratford-upon-Avon on 31 October 1978. The hearing was not attended by any person entitled to be heard, but before the hearing the Solicitors for the Objectors sent to the Clerk of the Commons Commissioners a document, signed on behalf of the Kenilworth Town Council, the Successor authority of the former Kenilworth Urban District Council, the applicant for the registration, requesting me to refuse to confirm the registration.

In these circumstances, I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
