

COMMONS REGISTRATION ACT 1965

Reference No. 238/D/141

In the Matter of Chithurst Recreational  
Allotment, Chithurst, West Sussex

---

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. VG 60 in the Register of Town or Village Greens maintained by the West Sussex County Council and is occasioned by Objection No. 302 made by the Hon. Elizabeth Cairns Hindley and noted in the Register on 23 November 1970.

I held a hearing for the purpose of inquiring into the dispute at Chichester on 22 June 1979. The hearing was attended by Mr J H Lunt, Solicitor, on behalf of the Objector.

Before the hearing Mr F J Osgood, the applicant for the registration, informed the Clerk of the Commons Commissioners by letter that it appeared from a certified copy of the relevant inclosure award that the land comprised in the Register Unit was not a recreation allotment, but an allotment for the labouring poor, the recreational allotment being another area of land, which has not been registered.

In these circumstances I can only refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
