

COMMONS REGISTRATION ACT 1965

Reference No. 238/D/162

In the Matter of Goose Green, Harting, West
Sussex (NO.1)

DECISION

This dispute relates to the registration at Entry No 1 in the Ownership section of Register Unit No.CL.44 in the Register of Common Land maintained by the West Sussex County Council and is occasioned by the conflicting registration at Entry No.3 in the same section of the Register Unit.

I held a hearing for the purpose of inquiring into the dispute at Chichester on 13 May 1980. The hearing was not attended by any person entitled to be heard, but the Solicitors for the Executors of R J Meade-Fetherston Haugh, the applicants for the conflicting registration, stated in a letter dated 9 May 1980 that their clients conceded that the registration was correct.

In these circumstances I confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
