

COMMONS REGISTRATION ACT 1965

Reference No. 238/D/58

In the Matter of Linchmere Common and land
called the Ridge, Linchmere

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No. CL 131 in the Register of Common Land maintained by the West Sussex County Council and is occasioned by Objection No. 469 made by the County Surveyor and noted in the Register on 28 January 1971.

I held a hearing for the purpose of inquiring into the dispute at Chichester on 31 January 1979.

I was informed prior to the hearing that the County Council withdrew its objection. Mr Stafford attended on behalf of the Cowdray Trust and invited me to ensure that the Registration had been amended as stated in Note No. 7. I therefore confirm the Registration amended as aforesaid.

I am required by regulations 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
