

COMMONS REGISTRATION ACT 1965

Reference No.38/D/59

In the Matter of Livermore Common,
Aldingbourne, West Sussex.

DECISION

This dispute relates to the registration at Entry No.1 in the Land section of Register Unit No.CL 105 in the Register of Common Land maintained by the former West Sussex County Council and is occasioned by Objection No.34 made by Mr G.Rushbridger and noted in the Register on 29th January 1969.

I held a hearing for the purpose of inquiring into the dispute at Chichester on 19th June 1975. The hearing was attended by Mr P.R.Brown, solicitor, on behalf of the West Sussex County Council, the successor of the former West Sussex County Council, which made the registration without application.

Mr Brown informed me that he could adduce no evidence upon which he could distinguish this case from my decision in In the Matter of Church Green, Verwood, Dorset (1972), Ref.No.10/10/13.

In these circumstances I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 7th day of July 1975

Chief Commons Commissioner
