

In the Matter of Oreham Common, Henfield,  
West Sussex (No. 2)

DECISION

This dispute relates to the registration at Entry No. 1 in the Rights section of Register Unit No. VG 10 in the Register of Town or Village Greens maintained by the West Sussex County Council and is occasioned by the conflicting registration at Entry No. 1 in the Land section of Register Unit No. CL 317 in the Register of Common Land maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Chichester on 19 February 1981. The hearing was attended by Mrs J M Rendall, the successor in title of Mr M H Nicholas, the applicant for the registration.

Since in the circumstances set out in my decision in In the Matter of Oreham Common, Henfield (No. 1) (1981), Ref. No. 238/D/200 I have refused to confirm the registration in the Land section of Register Unit No. VG 10, it follows that I must refuse to confirm this registration.

However, since the registration is deemed also to be made in the Rights section of Register Unit No. CL 317, this will not adversely affect the right registered in respect of Mrs Rendall's property.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
