

COMMONS REGISTRATION ACT 1965

Reference No.38/D/50

In the Matter of Roundstreet Common,
Loxwood, West Sussex (No.1).

DECISION

This dispute relates to the registration at Entry No.1 in the Land Section of Register Unit No.CL.14 in the Register of Common Land maintained by the former West Sussex County Council and is occasioned by Objection No.361 made by the County Surveyor and noted in the Register on 21st December 1970.

I held a hearing for the purpose of inquiring into the dispute at Chichester on 25th July 1974. The hearing was attended by Mr J.K. Sampson, solicitor, on behalf of the West Sussex County Council and the County Surveyor.

The objection relates only to a narrow strip of land on the western side of the B.2133 road, which strip is claimed to be part of the highway. Mr Sampson stated that the County Surveyor did not wish to pursue his objection, provided that it was made clear that he did not resile from his claim that there was a public right of way over the strip in question.

I accordingly confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 2nd day of August 1974

Chief Commons Commissioner
