

COMMONS REGISTRATION ACT 1965

Reference No. 238/D/68

In the Matter of The Public Watering Place,  
Tillington

---

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 202 in the Register of Common Land maintained by the West Sussex County Council and is occasioned by Objection No. 366 made by the County Surveyor and noted in the Register on 6 January 1971.

I held a hearing for the purpose of inquiring into the dispute at Chichester on 1 February 1979. The hearing was not attended by any person entitled to be heard. Prior to the hearing the County withdrew its objection.

For this reason I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
