

In the Matter of Little Crow Hill,  
Sowerby Bridge.

DECISION

This reference relates to the question of the ownership of land described above being the land comprised in the Land Section of Register Unit No. CL.202 in the Register of Common Land maintained by the West Yorkshire Metropolitan County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Mr T Leah claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Wakefield on 8 May 1985. Mr P Holt, Solicitor, appeared on behalf of Mr Leah, and there was no appearance by any other claimant.

Mr Holt, having seen the register map, told me that Mr Leah's claim was withdrawn.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
