

In the Matter of the land known as
Hungar Hills, Horsforth

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No. CL 538 in the Register of Common Land maintained by the former West Riding County Council and is occasioned by Objection No. 1625 made by Horsforth Urban District Council and noted in the Register on 13 April 1972.

I held a hearing for the purpose of inquiring into the dispute at Bradford on 12 February 1981. The hearing was attended by Mr S G Vowles who appeared for Leeds City Council. The applicant did not appear. Mr Vowles applied for costs but as there was some doubt as to whether the City Council's letters to the applicant had been sent to the right address, I refused the application.

For these reasons I refuse to confirm the registration with no order as to costs.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
