

COMMONS REGISTRATION ACT 1965

Reference No. 260/U/21

In the Matter of additional land at
Holbrook Common, Wick and Abscon

DECISION

This reference relates to the question of the ownership of land known as additional land at Holbrook Common, Wick and Abscon being the land comprised in the Land Section of Register Unit No. CL 406 in the Register of Common Land maintained by the Gloucestershire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and same as hereafter mentioned no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Bristol on 26 April 1979.

This case is indistinguishable from the other cases relating to Holbrook Common.

In the absence of any evidence I am not satisfied that any person is the owner of the land and it will therefore be subject to protection under section 9 of the Act of 1965.

Having been informed by Mr D S Young that Kingswood District Council may have a title to the land I will if so requested within the 6 weeks below mentioned re-open the hearing to enable it to claim ownership.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
