

COMMONF REGISTRATION ACT 1965

Reference No. 260/D/220

In the Matter of Two small additional pieces of land
at Lyde Green Pucklechurch, Avon (No.1)

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No.G/CL.393 in the Register of Common Land maintained by the Avon County Council and is occasioned by Objection No. Ob.658 made by the former Gloucestershire County Council and duly noted in the Register.

I held a hearing for the purpose of inquiring into the dispute at Bath on 19 July 1983. The hearing was attended by Miss J Jenkins Evans, Solicitor, on behalf of the Avon County Council, the successor authority of the Objector. There was no appearance by or on behalf of Mrs Mabel Higgins, Mrs J M Organ and Mr C N Clarke, the applicants for the registration.

The grounds of the Objection are that a part of the land comprised in the Register Unit is not common land, but forms part of the M4 motorway maintained at the public expense.

There being no other evidence I confirm the registration with the following modification namely, the exclusion of the land the subject of the Objection.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
