

COMMONS REGISTRATION ACT 1965

Reference No. 202/U/29

In the Matter of land at Camp's Pool, Wargrave,
Berkshire

DECISION

This reference relates to the question of the ownership of land at Camp's Pool, Wargrave, being the land comprised in the Land Section of Register Unit No. CL. 113 in the register of common land maintained by the Berkshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Windsor on 12 December 1978.

At the hearing the Wargrave Parish Council was represented by Mr C Mardment, one of its members.

Mr Mardment told me that he did not know who owned the land in question.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 21st day of February 1978.

Chief Commons Commissioner
