

COMMONS REGISTRATION ACT 1965

Reference No. 204/U/103

In the Matter of The Butts, Little Raveley
Upwood and The Raveleys, Huntingdon D

DECISION

This reference relates to the question of the ownership of land described above being the land comprised in the Land Section of Register Unit No. CL.70 in the Register of Common Land maintained by the Cambridgeshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question or to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Cambridge on 10 March 1983.

There was no appearance at the hearing by any claimant. Mr A D Hill, of the County Council Record Office, told me that in the Land Values Register, "the Lord of the Manor" was registered as owner in about 1910.

In the absence of any further evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated 15 April 1983

L. J. Morris Smith
 Commons Commissioner
