

COMMONS REGISTRATION ACT 1965

Reference No. 206/U/122

In the Matter of land at Poligy Moor, Wendron

---

DECISION

This reference relates to the question of the ownership of the land above mentioned being the land comprised in the Land Section of Register Unit No. CL 455 in the Register of Common Land maintained by the Cornwall County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference South West Water Authority and Mr P T J Veale claimed to be the freehold owners of parts of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Camborne on 19 January 1983.

Mrs F G Canning, Solicitor, appeared for the Water Authority and Mr Veale appeared in person. Mrs Canning withdrew the claim of the Water Authority to ownership of any part of the land. Mr Veale produced a Statutory Declaration made by him on 17 January 1983.

On this evidence I am satisfied that Mr P T J Veale is the owner of that part of the land shown on the plan exhibited, to his said Declaration and I shall accordingly direct the Cornwall County Council, as registration authority, to register him as the owner of such part of the land under section 8(2) of the Act of 1965. I am not satisfied that any person is the owner of the remainder of the land which will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
