

COMMONS REGISTRATION ACT 1965

Reference No. 262/U/413

In the Matter of Pasture House Wood,
Aikton, Allerdale D

DECISION

This reference relates to the question of the ownership of the land described above being the land comprised in the Land Section of Register Unit No. ~~GL 302~~ in the Register of Common Land maintained by the former Cumberland County Council and now by Cumbria County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Aikton Parish Council claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Keswick on 21 May 1981. The hearing was attended by Mr W Howe, Chairman of and representing the Parish Council, and Mr Greer of the Registration Authority also attended.

Mr Howe said that some 18 months ago "no tipping" notices were put up on the land by the Parish Council.

On this evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
