

COMMONS REGISTRATION ACT 1965

Reference No. 209/U/118

In the Matter of Rowden Down, Widecombe-in-the-Moor,
Newton Abbot

DECISION

This reference relates to the question of the ownership of that part of the land comprised in the Land Section of Register Unit No. CL.70 in the Register of Common Land maintained by the Devon County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Exeter on 6 March 1990.

There was no appearance at the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(i) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
