

COMMONS REGISTRATION ACT 1965

Reference No. 210/D/428-429

In the Matter of Gotham Common,
Edmonsham, Wimborne D

DECISION

This dispute relates to the registration at Entry No. 199 in the Land Section and Entry No. 1 in the Rights Section of Register Unit No. CL 199 in the Register of Common Land maintained by the Dorset County Council and is occasioned by Objection No. 1155 made by T Roberts and noted in the Register on 17 January 1973.

I held a hearing for the purpose of inquiring into the dispute at Poole on 28 October 1980. The hearing was not attended by any person entitled to be heard.

The land was registered in consequence of the application of Mr F O Chisman to register right of common (Rights Entry No. 1) and the objection is on the ground that the land was not common land. Mr Chisman's Solicitors had written to say that his application was not being pursued. Accordingly I refuse to confirm the registrations.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
